...The parrot she's been taking care of...
"Statue of Acámbaro"
It's a bit mean, but I'm sure it won't hurt...
I wonder how she and the supvervisor will handle this... "Statue of Acámbaro"?

Alrighty, I'm gonna go give Piyo-chan her treats!
I couldn't see Piyo-chan while I was on vacation, so I wonder if she's sad!
I hope she's doing well~

Morning Tomo-chan.
Yeah, Morning.
Hm?
Who's being this loud so early in the morning...?
ドドドド
Byaaaaaaa
ドドドドドドドドドドドド
!?
Wa...
Morning... Why is she charging at us like that!?

There there...
What's wrong, Hana-chan? Did you run into a pervert?
Ami-chan! Tomo-chan!! Waaaaaaaah!!!
Piyo-chan is the parrot you've been taking care of, right?
O...oh?
The thing is! The animal shack was destroyed, Piyo-chan is missing, and the chickens are all stone!!
Yeaaaa! Piyo-chaaaan!!
テク

Kagimori...
ガラ
Ah...
This is something I should talk to him about.
"Red Night Eve", right?...
It's definitely not normal that the chickens were turned to stone, and I'm worried about Piyo-chan.
じぃ...
Hana-chan... Why are you staring at Kagimori so intently?

Wait? Hana-chan, how do you even know that weirdo?
Well it's... It's a long story...

You're wrong! It's not like that!!
Sure is bitter-sweet...
Mufufu... I feel a scandal coming...

Eh...?
Oh?
Speak of the devil, he's coming over here.

Akane-ga-Saki.
Wha... what?

Huh?
I have something important to talk to you about.
OOO!

Wha, Wha, Whaaaat?
Miyanagi, Sasatzuka... I'm borrowing her.

Aa... Well, Kagimori might be a weirdo, but his looks aren't bad.
I think... those straight-forward forceful guys are Hanahana's type.

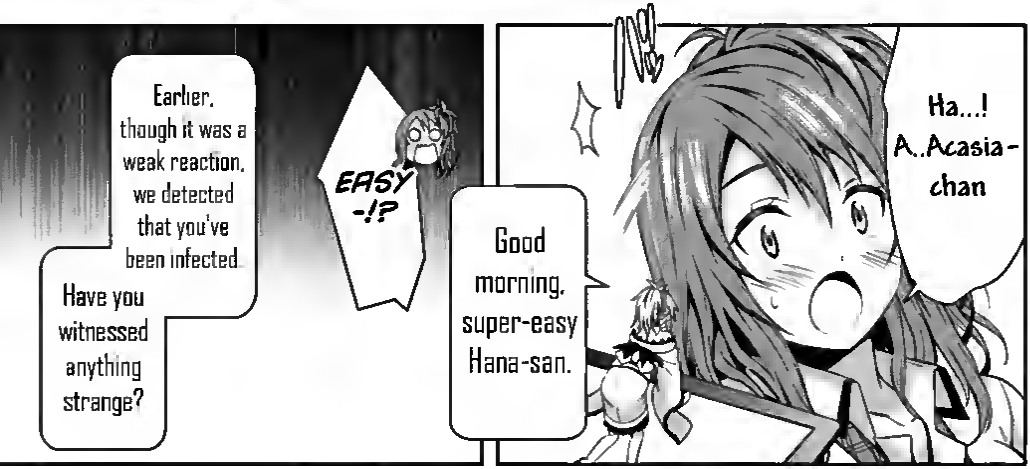
AAAA!
Ami-chan and Tomo-chan definitely suspect something about us!
That was way too forceful and straight -forward!!
First of all, we aren't close enough that you can just pull me around by my hair..
I thought that I was pretty normal?

I don't mind using force.
Wha... Whawhaw hawhawha whawha!?
Please answer my questions ...
Please...

Ka... Kagi... mori...
Yuuto...
You're too close!!
I did tell you that this is the most effective way of questioning a girl, but...

If you do it too much, it'll have the opposite effect.
くすっ
くすっ
Ah...
Fnyah...
Yuuto -san, please step away from her.
A good bounce today, too.
たゆん
Hey, are you okay?
Stay with me Akane-ga-Saki!

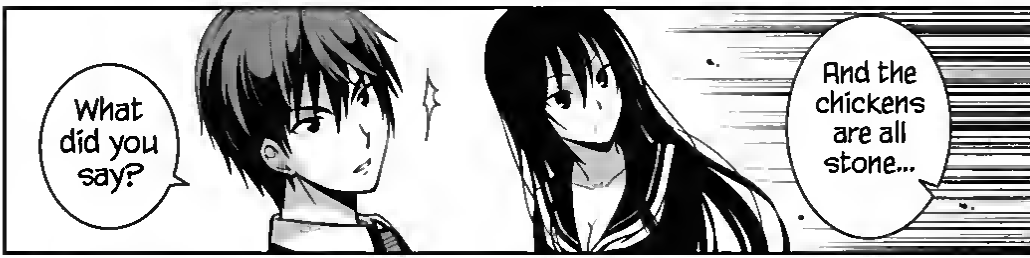
Please wake up Hana-san... We have a few questions for you.
It's my job to do what you cannot, Master.



Earlier, though it was a weak reaction, we detected that you've been infected.
Have you witnessed anything strange?
EASY-!?
Good morning, super-easy Hana-san.
Ha...! A..Acasia-chan

The parrot that's being raised by the breeding committee?
Yes, that's right!
Piyo-chan?
Um, I just went to the animal shack to see Piyo-chan...
There's also something I wanted to ask you about.
So what he wanted to ask about was D-Parts...

When we first got Piyo-chan she was hurt, but we nursed her back to health to the point where she could finally fly again...
I'm one of the breeders, so I took care of her during summer break.
Everything was fine when I left for my vacation, but now the shack is destroyed, Piyo-chan isn't there...



What did you say?
And the chickens are all stone...

What is it?
This is...
I'm already searching for corresponding D-parts.
Acasia.

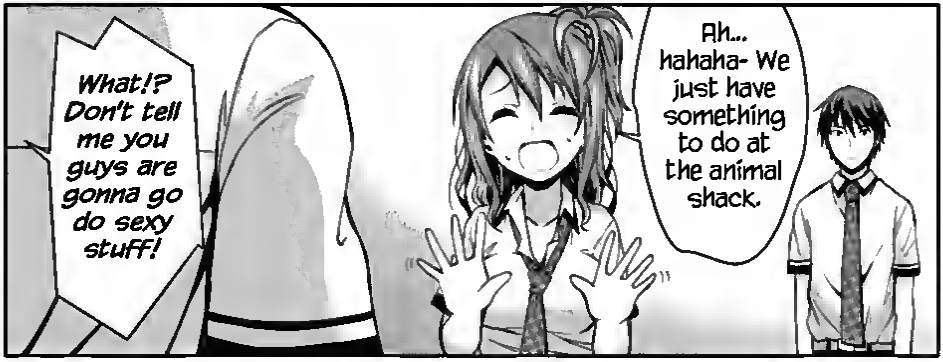
There is an 88% chance that they were petrified by the "Statue of Acámbaro."
The "Statue of Acámbaro"?... That was supposed to be sealed away by another Curator.
Yes...but it's currently not in our storage units.

...So someone got past the storage manager and stole it... is how we should view this case?
It's outside of our jurisdiction... This is troublesome.
Uhmm... so this is also?

Yeah... It's "Red Night Eve."
Hana-san is the only civilian to have experienced "Red Night Eve" twice in such a short period.
That's not something I'm happy about...

Ah...
I skipped class...
In any case, let's go to the animal shack.
The animal shack is this way!
There are a lot of petrified chickens over there and-
Kya!

You guys skippin' too?
Oh... Well here's a cute chick.
What's up?
Damn that hurt.
Uwaa!



What!? Don't tell me you guys are gonna go do sexy stuff!
Ah... hahaha- We just have something to do at the animal shack.

Look at her, she's got huge tits... Uhehe.
Hey! He's even got two chicks with him! Is this an orgy!?
Why don't you play with us too?
Huh!? N-No!

I'm warning you.
It's dangerous, so hurry and get out of here.
...The fuck're you doin'!

You're pissing me off, having all these chicks around you!!
You pickin' a fight!?
Huh!? The hell you talking bout!

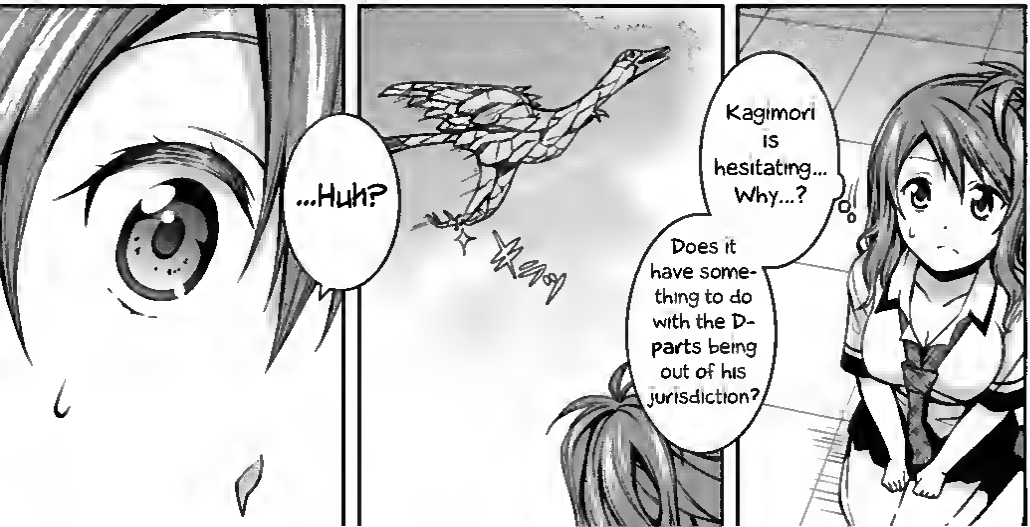
Yuuto...
We're too late.
...It really is danger-ous... sheesh.
Eh?
Hehe you better be prepared! You-
What are you guys even talking about, huuuh?

Hee!
A bird!?
Ouwaaa! What is that!?

I-is that so... Why are you so close
...Quiet.
It seems to react to loud noises by shooting petrifying beams.
Hee... mmm.
As we thought, it looks like the "Statue of Acámbaro."
Master... The Museum still isn't responding.
We've got no choice...
We're going to move behind cover.
Akane-ga-Saki...-calm down and walk slowly.
Y..Yeah...

Sorry Akane-ga-Saki.
I was planning to send you back before it came to this.
Ugh.. To think people would be turned to stone.
Why does this keep happening?

Ka... Kagimori, you guys can do something about this right?
It wouldn't be too hard to defeat... but.



...Huh?
Kagimori is hesitating... Why...?
Does it have something to do with the D-parts being out of his jurisdiction?

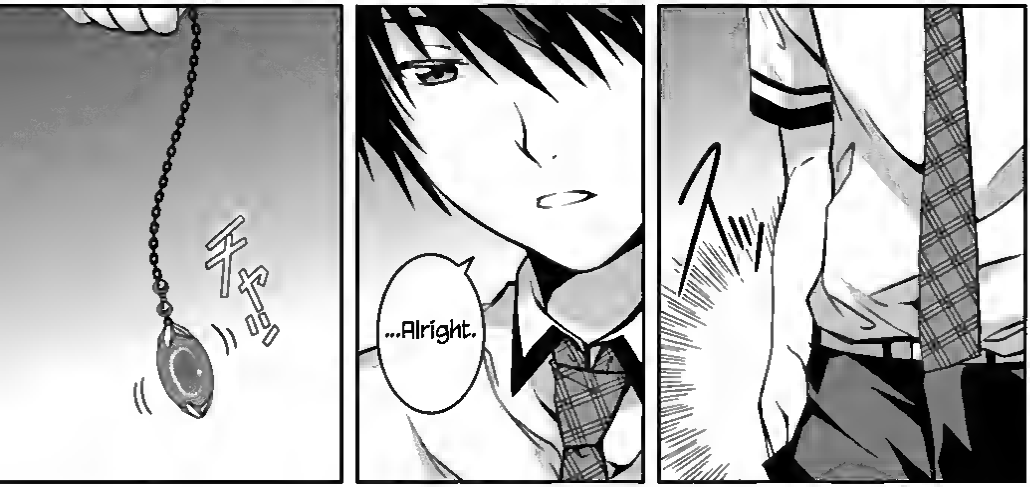
What's up, Akane-ga-Saki?
Piyo-chan's... Name tag?
That's...
Piyo-chan became a monster like that shark!?
Maybe-
Hey...!
Is that you... Piyo-chan...?
Akane-ga-Saki... Don't move.
Don't go near it.

I said Hey!!
Are you Piyo-chan!?
キロッ
Yayako-senpai!?

Ugh!
To be able to infect a High Carrier, this thing is pretty strong...

You protected me...
I'm sorry, I'm sorry Yayako-senpai...
It's okay... but listen to what Yuuto says...
Okay?

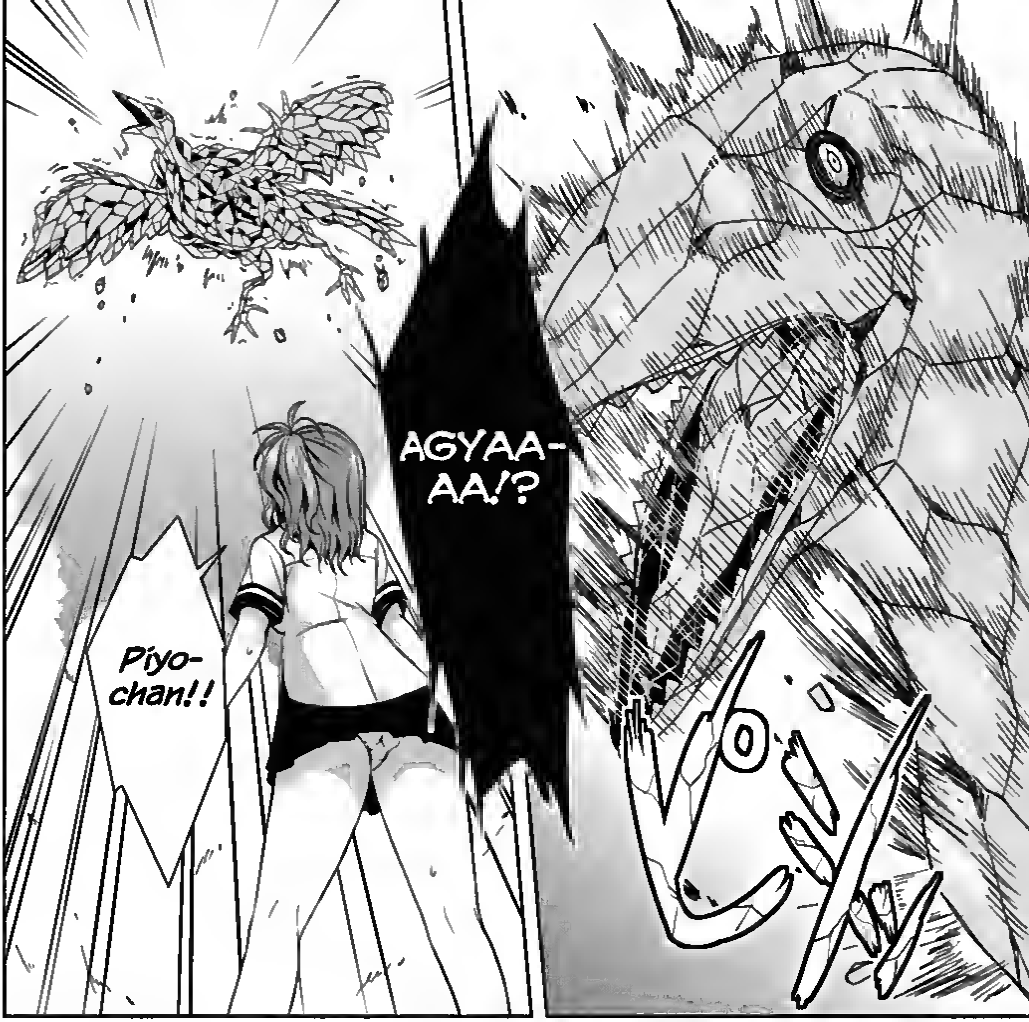
So, what are you going to do, Yuuto?
Akane-ga-Saki... Is that bird important to you?
Eh..? Yeah...



...Alright.

Recur-
sion.
Babylon's
Garden.
Manipulation of gravity from the interior to the exterior... Can you do it, Acasia?
Wha!?
Hey Kagimori! Don't tell me you're gonna!?

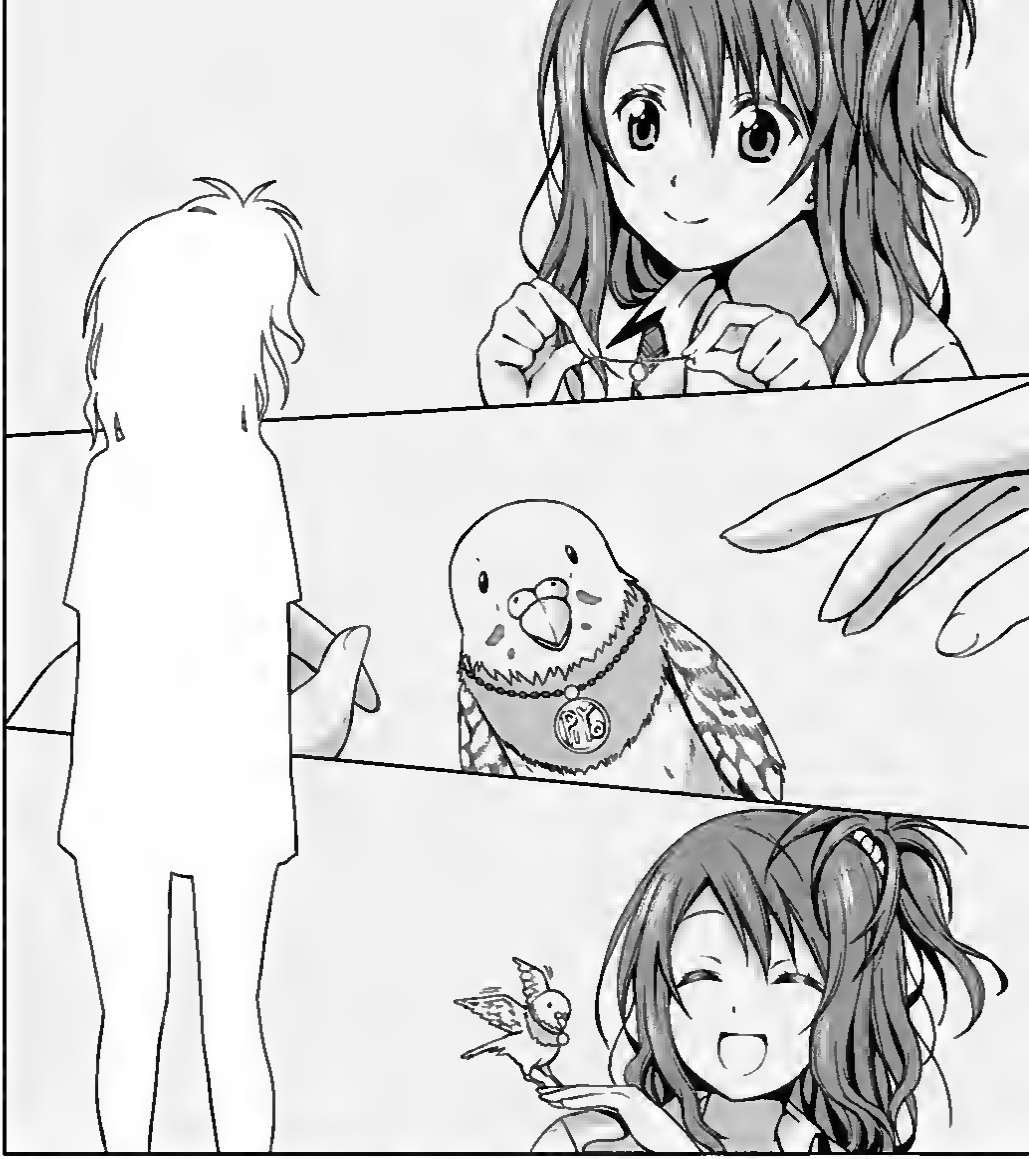
It is possible, but.
...I understand.
Executing gravity reversal projection equation.
VA.



AGYAA-AA!?
Piyo-chan!!

Petrifying three people, and even going so far as petrifying my precious Yayako-senpai.
If we leave it be, the disaster will spread, and there will be severe repercussions.

So we have to defeat it as soon as possible.
No matter what.
Wait Kagimori!
Piyo-chan didn't become like this because she wanted-
Akane-ga-Saki.
To stop the "Red Night Eve" is my job as a Curator.
....You can hate me all you want...
Piyo-chan...

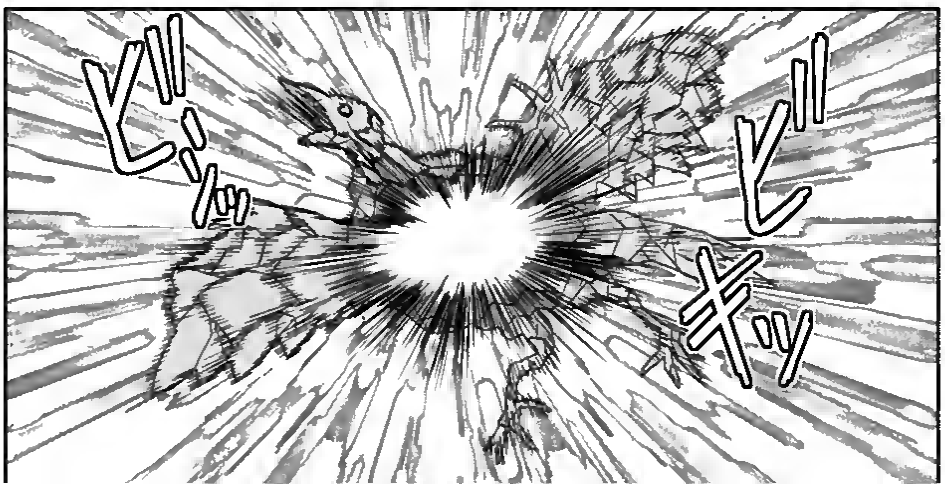


Please put down... Piyo-chan.
...I get it.

...Are you okay with this?
I'm not okay! But... I can't do anything for Piyo-chan.
So it's unfair to push all the blame on Kagimori... and hate you for it.
Piyo-chan... I know you didn't become like that because you wanted to... I'm so sorry... I know it's selfish.
I'm the one who should be hated for my decision.
I'm the one who needs to apologize.
I'm the one who can't do anything for Piyo-chan but...

The decision is my responsibility!
Recursion, "Babylon's Garden"!!
I don't mind... I'm not copying what Akane-ga-Saki said, but I'll take responsibility for my actions.
Yuuto-san

Also
It's not cool to leave a girl crying.
Roger that, Master.
Interior gravity control.... Maximum!



ヒ!!
ヒ!!

I'm sorry
Piyo-chan.
I'm so
sorry...

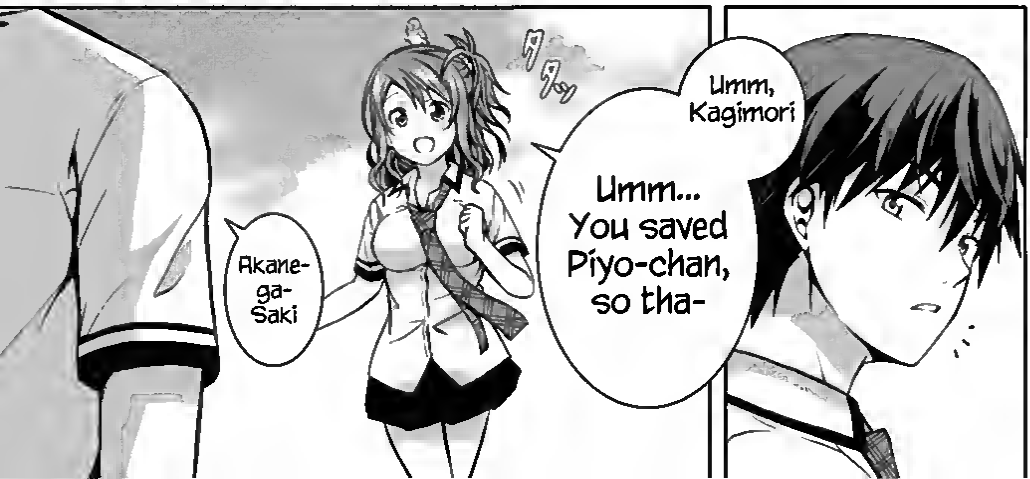
In addition, if it had been infected by D-parts during summer break, it would have only been infected for a short period of time.
It was a gamble, but it worked out in the end.
Therefore, the main body was surrounded by a stone shell. So as long as you destroy just the outer stone body, the main body would be safe.
the main body wasn't using its eyes to see.

we won't be able to avoid punishment
The "Statue of Acámbaro" was completely exterminated...
However... Since the D-Part under the control of the Museum was terminated without permission.

Yuuto...
I know, Acasia, Yayako-senpai...

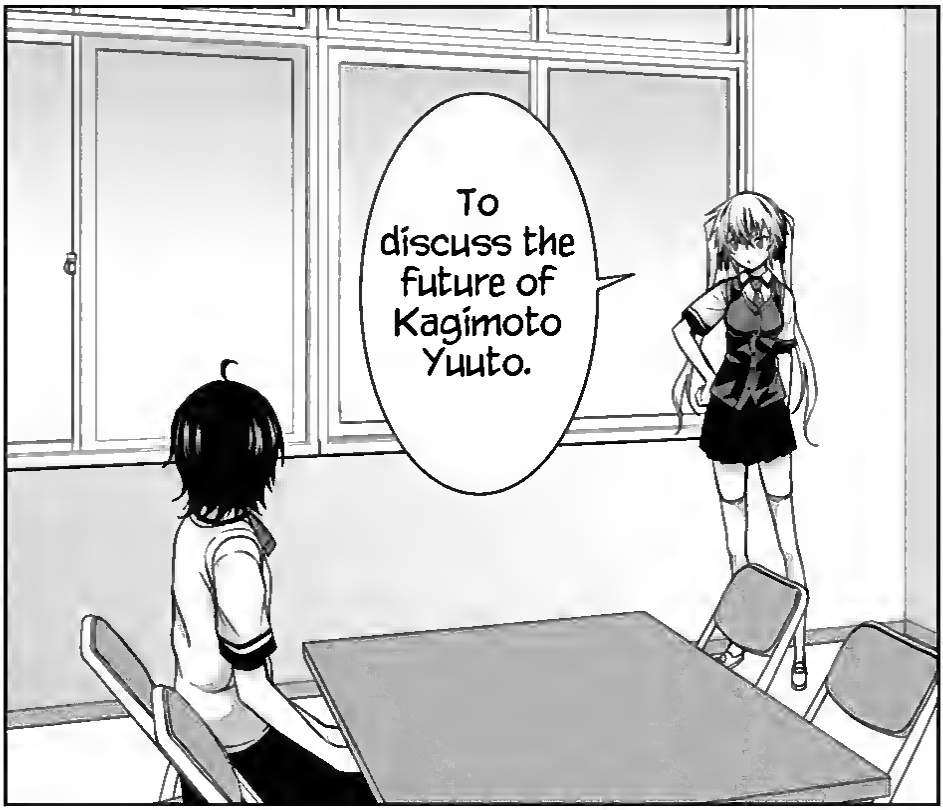


Umm, Kagimori
Umm... You saved Piyo-chan, so tha-
Akane-ga-Saki

You don't just have big breasts, you've got a good personality too.
You... think?
トクン
Well, this "Red Night Eve" is over.
We need to go to our summer classes now.
しゅん
うがー！
...Hey now! What do you mean, "Don't just have big breasts!?"

Eh...
...Thank you. Bye.
Even though I'm thankful for Piyo-chan.
Why?
Hm?
A carrier's extermination reaction...?
And it was "Babylon's Garden" that exterminated it.

We need to have a managerial meeting.
Yes.



To discuss the future of Kagimoto Yuuto.
